VERGELEGEN

RESERVE SEMILLON 2011

Origin

South facing vineyards delivered low yields (4.5 ton / ha). The flavours were intense and the chemical composition perfect. The vines are severely wind exposed and are not irrigated. The vineyards were planted in 1991 and consist of only one clone, the so called RFF clone which is Semillon and not Groendruif!

Vinification

The grapes were picked on 24 February 2011. No crushing/destemming was allowed, but the grapes were rather whole bunch pressed for best quality juice. Fermentation took place in 225L French oak barrels. The wine was matured in barrel for 9 months with regular lees stirrings. Bottling took place on 5 December 2011 and total production was 3118 bottles.

Composition

100% Semillon

Analysis

13.05% Alc
2.6 g/l RS
6.7g/l TA
3.19 pH

Maturation

Drink now, but will mature with great benefit if stored under proper conditions.

Tasting Note

Attractive gold green colour. Nose shows intense citrus, white flowers, honey and spice. The wine is finely focused, delicate and well balanced with a crisp acidity. Excellent with mussel soup, salmon, grilled Yellowtail and chicken. Stunning with seared tuna and scallops.
