## Semillon Reserve 2021

### TASTE

Attractive light green colour. The addition of Sauvignon Blanc in this vintage adds excellent acidity and freshness to the wine. Soft notes of white flowers, peaches and a hint of floral spice.

### BLEND

85% Semillon and 15% Sauvignon Blanc

### VINEYARDS

The grapes came from our best performing Semillon and Sauvignon Blanc vineyards in 2021.

### SOILS

Alluvial and gravel

### VINIFICATION

The grapes were harvested at perfect ripeness. No crushing or de-stemming was allowed, but the grapes were rather whole bunch pressed for best quality juice. Fermentation took place in 225-liter French oak barrels. The wine was matured in barrel for nine months with regular lees stirrings.

### PAIRINGS

Enjoy with soft cheeses, salads or roast chicken.

### AGING

Drink now or over the next 10 years.
