## Sauvignon Blanc 2023

### TASTE

This wine displays tremendous complex aromas of grapefruit, melon and clementine with hints of sage, mint and lemon sherbet. The palate is bright and refreshing with a fabulous texture and hints of salinity reminiscent of the ocean nearby. The finish is long and vibrant, leaving you wanting another glass!

### BLEND

100% Sauvignon Blanc

### VINEYARDS

The grapes for this premium Sauvignon Blanc were sourced from vineyards in Stellenbosch known for their classical minerality and expression of fruit.

### SOILS

Pinedene, Hutton & Clovelly soil forms

### VINIFICATION

Selected parcels were harvested individually and everything was vinified separately. Some parcels were barrel, wooden tank, cement tank, stainless steel tank or stainless barrel fermented.

### PAIRINGS

Enjoy with light meals, shellfish and fresh salads.

### AGING

Drink now or over the next 5 years
